REASONS FOR ALLOWANCE

Claims 1, 2, 4, and 6 are allowed.

The following is an examiner's statement of reasons for allowance: The Examiner accepts Applicant's arguments that, as amended, claim 1 overcomes the prior art rejection based on Admitted Prior Art and Manohar. In particular, the Examiner accepts that the Applicant has properly disclosed the concept of the auxiliary cooling circuit having the same ventilation area as that of the gas cooler, and that this feature is not taught or rendered obvious by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc E. Norman whose telephone number is 571-272-4812. The examiner can normally be reached on Mon.-Fri., 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl Tyler can be reached on 571-272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
